RMHP Individual SOLO Plans to be Discontinued

Dear Broker,

After discussion with the Colorado Division of Insurance, the decision has been made that it would not be in the best interest of RMHP or its members to extend our SOLO plans beyond December 31, 2013.

Rocky Mountain Health Plans will, therefore, discontinue all SOLO plans effective December 31, 2013 as originally planned.

- If your clients have recently selected a new plan from RMHP to be effective on January 1st, their plan selection is maintained.
- If your clients have not made a new plan selection for 2014, you can contact our Individual Sales Team at 800-453-2981 - Option 4 or email us at individualsales@rmhp.org.
- You can also designate a new RMHP plan on behalf of your clients through the access|RMHP broker portal.

RMHP Small Group Non-Grandfathered Plans -

Rocky Mountain Health Plans offered all small employer groups the opportunity to renew their health coverage early (December 1st effective date). Small employers who have taken advantage of this option will maintain their current RMHP small group coverage until November 30, 2014.

As employer groups renew in 2014, our new, ACA compliant health plans and rates are presented as alternate options. In 2014, all non-grandfathered plans will be discontinued on the employer group's anniversary as originally planned.

As always, we appreciate and thank you for your continued partnership.
