

Delta Dental of Colorado Embedded Pediatric Dental Benefit

Delta Dental of Colorado is the state's leading dental benefits company and the only one based in Colorado. Unlike most carriers, we focus on just one thing — dental insurance. We are also a nonprofit company with a mission to improve oral health in Colorado, and we contribute to many programs centered on improving access to dental care for children.

We are proud to partner with Rocky Mountain Health Plans to offer children's dental services. With this embedded child dental plan, all preventive and diagnostic procedures are covered at 100%. This means basic exams, X-rays, and cleanings are covered at no cost to you when you use the Delta Dental PPOSM or Premier[®] network. With our network of more than 3,100 Delta Dental dentists in more than 4,200 locations across the state, you get more choice and the industry's best discount.

BENEFITS

Coverage is provided for children's dental services for members up through the end of the month in which the child turns 19. "Children's dental services" includes the following, each of which is covered per calendar year, unless otherwise noted below:

- 2 oral exams and evaluations
- 2 fluoride applications
- 1 set of bitewing X-rays
- 2 periapical (full-tooth) X-rays
- 1 set of x-rays (panoramic or full-mouth), once every 60 months
- 2 routine cleanings
- Lifetime limit of 1 space maintainer per primary tooth
- 1 sealant per tooth
- 1 palliative (pain-relieving) treatment

A total of any two of the services from the following list are also covered per calendar year as part of children's dental services:

- Amalgam, resin, or composite fillings
- Extractions
- Initial root canal therapy

A total of any one of the services from the following list are also covered per calendar year as part of children's dental services:

- Sedative filling
- Prefabricated crowns
- Pin retention

PLAN NOTES

This plan provides benefits only if you visit a Delta Dental PPO or Premier provider. If you receive treatment from an out-of-network provider, you will not receive benefits, and you will be responsible for all the fees charged by the out-of-network provider.

Only medically necessary orthodontia is covered under this plan. The child dental benefit embedded in the medical plan uses Delta Dental's PPO and Premier networks only. When inquiring about benefit coverage, please be sure to use the child's name because coverage is listed with the child as the subscriber. There are no adult benefits in this plan.

Services provided beyond benefit limitations must be paid out of pocket or covered by other dental coverage (insurance). The cost of services paid out of pocket will still be subject to Delta Dental of Colorado's contracted discounts. This is a summary only. For more details regarding these benefits, contact your Rocky Mountain Health Plans sales representative.

IMPORTANT: Coverage is listed under child's name.

HOW TO FIND A PROVIDER

It's easy to find a PPO or Premier dentist:

- ▶ **Website:** Visit deltadentalco.com and use the **Find a Dentist** search tool. Search by city, state, or zip code for a listing in your area. Make sure the green box on the right says "This provider accepts: Delta Dental PPO/Premier." Remember, a Delta Dental PPO provider is always your best value!
- ▶ **Mobile App:** With Delta Dental's mobile app for Android and iOS, you can search for providers, upload an ID card, get a cost estimate for your treatment, and look at benefits coverage and claims.
- ▶ **Phone:** Call Delta Dental of Colorado at 1-800-610-0201. You can speak with a customer service agent during regular business hours or get automated assistance 24/7.
