1099 Forms - 2006

You have received your 1099 Miscellaneous Form from Rocky Mountain Health Plans (RMHP) for the 2006 calendar year.

An error has been identified in the calculation of your 1099 statement, resulting in a possible understatement of income.

RMHP will be re-running all producer 1099 Forms which will be mailed to you next week.*

Our sincere apologies for the confusion and inconvenience this may cause. If you have any questions, please contact Sarah in our Finance Department. She can be reached at 970-244-7841 or 800-843-0719. Her extension is 7841.

**Producers appointed with RMHP after July, 2006 are not affected by the calculation error.*

As always, if you have any questions or comments or need assistance, please call your Rocky Mountain Health Plans Account Executive.
