### July Renewals Distributed this week

Reminder: Starting with July renewals, most small employer groups will be presented with renewal information for a new benefit plan, which most closely matches their current health plan. Employers will have the choice of renewing on this new health plan, or making a plan change to any other small group health plan offered by RMHP.

### New Renewal Materials and deadlines for Plan Changes.

Please take a few minutes to review the new renewal packet(s) that will be sent to you this week. We are including some additional materials, to assist your clients with the new benefit features (employees choice of Rx) and step-by-step instructions on paperwork needed if they choose to make a plan change on their anniversary. You will notice that RMHP has changed the deadline for Plan Change requests. **Effective with July renewals, plan change requests must be submitted to RMHP by the 15<sup>th</sup> of the month, prior to the anniversary date.** This deadline change is necessary to insure all plan changes are completed prior to the group's anniversary.

As always, if you have any questions, comments or need assistance, please call your Rocky Mountain Health Plans or CNIC Account Manager.
