Choice and Direct Plans – No Longer Available after February, 2008

In our announcement on January 2nd, RMHP presented our new employer group plan designs that are available for enrollment March 1, 2008. As a reminder, these new product lines replace many of the existing plan designs. RMHP Choice and Direct Plans will not be available for enrollment on new business starting March 1, 2008.

You have a new rating tool for your March business that holds these new plans and the group plans that RMHP will continue to offer.
