SOLO Q2 Rating Tool Available

For the first time, since the launch of our new SOLO Individual and Family Health Plans, in August, 2006, RMHP will need to introduce a rate increase for 2nd Quarter, 2008.

SOLO rates will increase 6.4% effective April 1, 2008.

SOLO enrollment has increased over 200% with our new product line and the interest continues to grow! Thank you for your continued support and endorsement of RMHP SOLO Individual and Family health plans. We look forward to another strong year in SOLO Individual sales with our competitive rates and comprehensive benefits.

New rating software is available for download from our FTP site:

If you are unable to access the Q2 2008 rating software from our FTP site, please e-mail Katy Basinger at katy.basinger@rmhp.org. Katy will either send you a zip file or rating software CD.

As always, if you have any questions, comments or need assistance, please call your Rocky Mountain Health Plans or CNIC Account Manager.
