SOLO Active 75 and Active 10

Rocky Mountain Health Plans is pleased to introduce SOLO Active, a low cost, medical health plan, designed to meet the needs of Coloradans with active lifestyles.

A plan comparison is [available here](#). The updated SOLO application is [available here](#).

SOLO Active 75 and Active 10 Offer:

- First dollar coverage for outpatient services associated with an accident.
- The ability to "buy-up" for additional accident protection.
- Low monthly premiums targeted to offset the impact of mandatory maternity coverage and unisex rates.
- Office visits not subject to the medical deductible.
- Two different deductible levels from which to choose.
- Comprehensive medical coverage for medical expenses in excess of the deductible.

SOLO Active is not like other High Deductible Plans

Unlike other health plans with high deductibles, SOLO Active allows people to receive benefits without first having to satisfy a deductible. Greater value for the premium dollar.
