access|RMHP Online Small Group Quoting System Launching Soon

The first release of access|RMHP Small Group Quoting will launch in the next few weeks.

To ensure you had access to Q4 2011 RMHP small group rates as soon as possible, RMHP is distributing a Rocky Rapid Rates CD to you now. This will be the last rating CD produced for small group quotes as the access|RMHP online quoting tool will replace the rating CD once it is implemented.

access|RMHP Small Group Quoting offers more functionality than our current quoting tool. You will be able to save quotes, modify quotes, view benefits, email proposals and additional documents right from the quoting tool, and more. This new system provides more robust quoting options in a flexible and easy-to-use format.

Look for an announcement later this month on access|RMHP and training sessions on how to use the small group quoting tool. In the meantime, if you have any questions, please contact your Account Executive.

As always, if you have any questions, comments or need assistance,
please call your Rocky Mountain Health Plans Executive.
