2012 CoverColorado Assessment

Rocky Mountain Health Plans, along with all other health insurance carriers in the state of Colorado, is required by law to help pay the expenses of the CoverColorado program.

RMHP collects our assessment from our commercial group and individual SOLO Members and sends the funds to CoverColorado. Beginning January 1, 2012, we will be collecting \$3.79 per subscriber per month (PSPM).

For existing employer group business, RMHP will begin billing the fee on the January 2012 premium statements, upon which the assessment fee will be listed as a separate line item. January premium statements will begin to be mailed in early December.

For existing individual and family plan business, RMHP will start billing or deducting (depending on payment option) the \$3.79 PSPM beginning January 1, 2012.

All new business effective on or after January 1, 2012, will include the \$3.79 PSPM assessment fee.

At RMHP, our approach is to list the CoverColorado assessment as a separate line on the premium bill. We have chosen to make the assessment fee as transparent as possible because this is a government-mandated charge, not a cost over which RMHP has control.

As always, if you have any questions, comments or need assistance,
please call your Rocky Mountain Health Plans Executive.
