Glenwood Springs Sales Office Announcement

The lease for our office space in Glenwood Springs is up for renewal and we have decided to close that regional sales office.

After a close review of our regional office locations, it makes sense to blend the Glenwood Springs sales activities into the Grand Junction sales office. As a result of the office closure, we regret to inform you that Patty Clark's position has been eliminated. RMHP is committed to maintaining our strong relationships with the broker community in Glenwood Springs and the surrounding areas. RMHP's corporate offices located in Grand Junction are just 80 miles away and you can expect the same level of service you have enjoyed with Patty over the years. Kevin Scanlon, West Slope Sales Director and Roger Walt, Account Executive for the Grand Junction area are available to assist you.

If you have any questions or need assistance with your clients, please contact Katy Basinger, Sales Administration Coordinator, at 970-254-5706.

As always, if you have any questions or comments or need assistance, please call your
Rocky Mountain Health Plans Account Executive.
