Colorado law requires carriers to make available a Colorado Health Benefit Plan Description Form, which is intended to facilitate comparison of health plans. The form must be provided automatically within three (3) business days to a potential policyholder who has expressed interest in a particular plan or who has selected the plan as a finalist from which the ultimate selection will be made. The carrier also must provide the form, upon oral or written request, within three (3) business days to any person who is interested in coverage under or who is covered by a health benefit plan of the carrier.

An access plan is available for each managed care network offered by Rocky Mountain Health Plans to any interested party upon request. Such access plans contain information on providers, hospitals, referral and grievance procedures, quality assurance, access for members with special needs, emergency coverage provisions, and other information on how to access services.
