

# Good Health HMO Plans

RMHP's HMO Plans are a good choice for today's health care coverage needs. The plans combine the best features of traditional HMOs, such as fixed dollar copayment for doctor visits, with less traditional features, such as direct access to participating providers, premium-saving deductibles and coinsurance for major services.

Plan Name	Deductible	Office Copay	Inpatient Hospital Stay	Out of Pocket Maximum	Prescription Drug Coverage	Accident Benefit
