“Doctors don’t hesitate when you say you have Rocky Mountain Medicare. That’s always good.”

When I retired [from Interstate Brand] in 1994 they offered “free” hospitalization but it wasn’t — so I went with Rocky Mountain.

It’s gone very well. Great service. I had surgery in March and all the billing/paperwork etc., went well.

Doctors don’t hesitate when you say you have Rocky Mountain Medicare. That’s always good.

A friend of mine went with another plan and had a bad experience. Another golf buddy of mine considered another plan, but went with Rocky Mountain instead.

I tell lots of people about Rocky Mountain. I tell them “It’s a great plan. Go down and talk to the folks there.”

Rocky Mountain Health Plans is a not-for-profit, Colorado-based health plan with a Medicare contract and a Medicare approved Part D sponsor.
