Ernestine:

We’re happy with everything. Claims are paid smoothly and quickly. We never have problems seeing doctors. We have no worries with Rocky Mountain. We’re confident. We know they’d help us with anything that comes up. It’s a real comfort to both of us.

Emil:

We have a real good relationship with Rocky Mountain. They do what they say they’re going to do. We trust them. And we like all the people we’ve dealt with. We had a mess with another plan — we looked into getting an extra plan with them, but changed our minds — the other plan kept sending us bills and not listening. It’s finally getting cleared up now, thanks to help from Joe [an employee].

The Rocky Mountain coverage is always good and they’ve treated us well. I’ve had to lean on them a lot and they always come through for me. We couldn’t ask for a better organization.
