“It’s very affordable — and very comfortable.”

I’ve been VERY happy with Rocky Mountain. They’ve been good to me. It’s affordable. And very comfortable. It’s something important that you can depend on. I had an HMO in Tucson so when I moved to Battlement Mesa I looked for another. Rocky Mountain seemed good so I went with it. I’ve been VERY satisfied. They’ve been good to me.

I was also happy about being able to go back to see my same dentist. That was a big relief.

If anyone asks me about Rocky Mountain, I’d say “It’s affordable, within your budget, especially the Standard Plan. And, it is very comfortable. It’s something important that you can depend on.

It’s been a wonderful experience.
