2011 CoverColorado Assessment

Rocky Mountain Health Plans, along with all other health insurance carriers in the state of Colorado, is required by law to help pay the expenses of the CoverColorado program.

RMHP collects our assessment from our commercial group and individual SOLO Members and sends the funds to CoverColorado. Beginning January 1, 2011, we will be collecting \$3.15 PSPM (per subscriber per month).

The State of Colorado calculated the RMHP CoverColorado assessment at \$3.22 PSPM. Because we have increased our Membership since we reported numbers in January, we believe reducing the PSPM fee to \$3.15 PSPM will enable us to meet our obligation to the State. Essentially, we are spreading the total assessment among more Members.

RMHP will begin collecting the fee on the January 2011 premium statements, upon which the assessment fee will be listed as a separate line item. January premium statements will begin to be mailed in early December.

As always, if you have any questions, comments or need assistance, please call your Rocky Mountain Health Plans or CNIC Account Executive.
