

## Broker Briefing

### Amendment Mailing to Employer Groups

Due to State of Colorado mandatory changes to health benefit plans effective January 1, 2011, Rocky Mountain Health Plans is providing amendments or new prescription drug supplements to small and large employer groups, subscribers of those groups, and SOLO Individual & Family health plan Members.

The amendments are for employer groups and individual plan Members with either the Generic Only prescription drug plan (Tier 1) or the Discount Only prescription drug plan.

Prescription drug plans that cover brand name drugs are not affected.

The state mandates require the health plans to cover anti-cancer oral drugs (HB10-1202) and oral contraceptive drugs (HB10-1021).

A sample cover letter, amendment, and coverage schedule for an employer group are provided here:

### Health Care Reform Pages Added to Website

Several new pages addressing health care reform have been added to [rmhp.org](http://rmhp.org). One of the highlights of the section is a new [Open Letter](#) to Members and Stakeholders by President and CEO Steve ErkenBrack.

This section of the website is a great resource for you to learn more about health care reform and our organization's position on key subjects.

As always, if you have any questions, comments or need assistance, please call your Rocky Mountain Health Plans or CNIC Account Executive.
