## New Group Submissions and Health Status Questionnaires

### You Can Help to Ensure Completeness!

Potential rate decreases (and increases) are contingent upon the completeness and accuracy of the Health Status Questionnaires for all small group business.

Please assist your clients by ensuring all required documentation is provided.

Prior to submission to RMHP, appointed brokers who have signed the RMHP Business Associate Agreement may review the Health Status Questionnaires for completeness.

A completed Health Status Questionnaire is required for each member of each group. If any Health Status Questionnaire is incomplete or missing, a rate banding increase may occur.

### Thank You!

As always, if you have any questions or need assistance, please call your Rocky Mountain Health Plans Account Executive.
