FORM UPDATES
Effective January 1, 2006

Rocky Mountain Health Plans has updated all form types, effective January 1, 2006. Changes made include legal references, plans offered, additional sections, number corrections, question revisions, and information deletions.

These changes make it critical that the most current forms are being used and distributed to the Employer groups you service. We want to make replacing these forms as easy as possible, so please refer to the options below:

- Download current forms from our website at www.rmhp.org.
- Email a request of supplies directly to RMHP through our website by clicking on Producers/Enrollment Tools and Forms.

**Please destroy ALL previous forms
and replace your old stock with the new versions.**

Thank You!

As always, if you have any questions or comments, please call your Rocky Mountain Health Plans Account Executive.
