Employer Groups Electing an Early Renewal

Rocky Mountain Health Plans is in the process of updating all employer groups who have elected an early renewal, to be effective December 1, 2008. While this work continues to be done, December billing statements have been issued and mailed.

Your clients may be receiving a December premium billing statement that does not yet reflect their new plan choice and premium.

Please direct your clients to pay their premium billing statement as presented. RMHP will reconcile the payment against their new health plan and premium and present that reconciliation on their January premium billing statement.

As you know, commission payments are tied to premium paid by your employer group clients. Remitting payment as billed, will insure consistency in your commission payments.

Thank you for your assistance and please don't hesitate to call your Group Management Team if you have any questions.

As always, if you have any questions, comments or need assistance, please call your Rocky Mountain Health Plans or CNIC Account Manager.
