SOLO 2nd Quarter Rates Available

The 2nd Quarter 2010 rates for SOLO View Health Plans for individuals and families are now available. There will be a base rate increase of approximately 2%.

The rating tool is available for download from our FTP site at ftp://rmhp_solo:rs.1316@ftp.rmhp.org.

To receive the 2nd Quarter 2010 SOLO rating tool without using the FTP site, please email the SOLO Sales Team at SOLO_Sales_Team@rmhp.org. You can request to receive either a zip file or rating software CD. For those producers already on the mailing list for SOLO Health Plans, CDs are being mailed to you.

The online SOLO quoting tool and application is always available at www.buysolo.org. You may use the site to generate and print quotes for your clients at any time.

Annual renewal notices for current SOLO clients who have an anniversary in April, May, and June will be mailed starting the last week in February. In some cases, the renewal increase to premium is substantial. Your clients may request a change to a lower priced SOLO View plan, which is subject to medical underwriting. For your clients who are currently on a SOLO Select or SOLO Smart Choice plan, RMHP will be allowing plan changes to lower-priced Select and Smart Choice plans (if one is available) with limited medical review. We value our SOLO Members and want to help them maintain their health plan coverage.
