Open Letter on Health Care Reform

In the past few weeks, there has been much published about the federal health care reform legislation. Many of you have expressed an interest in the legislation and the Rocky Mountain Health Plans perspective. As always, when reviewing new laws, we stay focused on how changes may affect our Members.

RMHP is closely involved, watching, and monitoring activities and we are committed to keeping you updated as we move through this very complex and detailed process. Please visit rmhp.org to learn more and read an [Open Message on Health Care Reform](#) from Rocky Mountain Health Plans President and CEO Steve ErkenBrack.

As always, if you have any questions, comments or need assistance, please call your Rocky Mountain Health Plans or CNIC Account Executive.
