The Access RMHP online SOLO quoting tool is coming to you on **November 15**.

This online quoting tool will provide instant quotes to customers. This first release will include SOLO quoting and will expand to include other lines of business and functionality over the next several months.

Once this quoting tool is released, you will no longer receive the Rocky's Rapid Rates disc in the mail. You will receive login information in the coming week, along with additional information regarding training and how to familiarize yourself with the tool.

Additionally, you are receiving access to this tool as part of an initial pilot group. All brokers will receive training and have access to this tool by the end of November into early December.

If you have any questions please send an email to support@rmhp.org or call 877-907-7647.

As always, if you have any questions, comments or need assistance, please call your Rocky Mountain Health Plans or CNIC Account Executive.
