Rocky Mountain Health Plans Introduces Two New Vista HMO Plans

At Rocky Mountain Health Plans, we understand the importance of providing options when selecting a health care plan. That's why we are pleased to introduce two lower priced Vista Plans for employer groups who offer HMO plans. The HMO 3000/70 and HMO 4000/70 provide a lower priced renewal alternative for your clients currently enrolled on the Good Health HMO 2000/70 plan.

Like our other Vista Plans and our Good Health Plans, the new Vista HMO plans provide 100 percent coverage for preventive care not subject to deductible. They also offer the popular employee-choice option for prescription drug coverage, allowing employers to offer one plan and give employees the choice to select generic-only or brand-name drug coverage.

Plan description forms are also available, HMO 3000/70 http://www.rmhp.org/pdf/Broker/HMO_3000_70.pdf and HMO 4000/70 http://www.rmhp.org/pdf/Broker/HMO_4000_70.pdf.
