New!

More options! Lower premiums!

Rocky Mountain Health Plans is excited to preview our new **SOLO Health Plans** for Individuals and Families. Launching on August 1, 2006, these six new plan designs will offer competitive price and high value for your clients.

- **Four new comprehensive coverage plans include:**
 - First-dollar accident benefit
 - Chiropractic care
 - Generic drug coverage built into base medical plan
 - Brand-name drug benefit offered as optional rider

- **Two new HSA-eligible plans include:**
 - An option with 100 percent coverage after deductible
 - Generic drug coverage built into base medical plan
 - Brand-name drug benefit offered as optional rider
 - Optional first-dollar accident benefit

AND...

- RMHP will re-introduce the SOLO 5K and 10K plans — designed to cover the unexpected medical costs that may occur with a serious illness or injury. Great value at a new, great price!

Look for detailed SOLO benefit information and **new online enrollment capabilities** coming your way in early August.

Our *existing* SOLO Individual/Family plans will be discontinued on August 1 to introduce the **new SOLO Health Plans**.

Note: Your clients who are currently enrolled in our existing SOLO plans can continue their coverage on these plans. On the client's anniversary, RMHP will offer our new SOLO plans as a plan change option (*subject to medical underwriting*), along with the option to continue their current coverage.
