

Media Alert

- What:** A luncheon in honor of Dr. Krueger MD and the Meeker Family Health Center Staff.
- Who:** Dr. David Herr, MD Chief Medical Officer of Rocky Mountain Health Plans (RMHP) together with Lisa Fenton Free, Executive Director of the Rocky Mountain Health Plans Foundation to hold a luncheon in honor Dr. Krueger, MD and staff.
- When:** Wednesday, August 22
12:00 – 2:00 p.m.
- Where:** Mountain Valley Bank
Meeker
- Why:** As a not-for-profit organization, Rocky Mountain Health plans has been a member of the Colorado community since 1974. During that time, Rocky has maintained a commitment to improving the lives of their Members and the health of the communities that it serves. As part of that commitment, Rocky has implemented a chronic care program, “Improving Diabetes Outcomes”. The program combines patient-centered care with system redesign in the primary care physician office to improve the health outcomes for persons with diabetes.

The Rocky Mountain Health Plans Foundation and Dr. Herr are recognizing the work of Dr. Krueger and the Meeker Family Health Center staff in the area of chronic and preventive care. Dr. Krueger has been a driving force in the success of the chronic care program and in implementing a model for preventive care.

This luncheon is to acknowledge Dr. Krueger and staff for their commitment to the program and diligence in helping to make it a success at Pioneers Medical Center in the Meeker area. He is considered a leader in improving the health outcomes of the community and a leader among his physician peers. This luncheon is closed to the public.
