Marilyn Green Robinson Retires from Rocky Mountain Health Plans

(Grand Junction, Colo.) – Rocky Mountain Health Plans (RMHP) announces the retirement of Marilyn Green Robinson, Vice President, Strategic Direction.

Robinson joined the organization in 1984 as Director of Marketing. Over the course of her 22 years with RMHP, Robinson's responsibilities were broad and her contributions were significant. As part of the Executive Team, Robinson played a key role in helping RMHP to grow into a highly respected statewide and regional nonprofit organization. Recently she developed a community benefit model adopted by the RMHP Board of Directors to ensure that the company continues meeting its nonprofit responsibilities, giving back to the communities in ways that benefit individuals.

Robinson plans to retire June 8, 2006 to spend more time with her family and pursue other interests. Rocky Mountain Health Plans wishes her all the best as she enters retirement and this new phase of her life.
