The preauthorization for services noted in this form is only for the time period during which the patient remains eligible on the patient's current health benefit plan or for a shorter period as specified in this form. Rocky Mountain Health Plans is not financially responsible for the services that are preauthorized if the patient is not eligible at the date services are provided. Further as permitted by applicable law, this preauthorization is subject to concurrent review as to medical necessity, appropriateness of efficacy and coverage for services being provided and is subject to the terms and conditions in the member's health benefit contract, including but not limited to coordination of benefits, provisions, preexisting conditions and limitations, and any agreements between Rocky Mountain Health Plans and the health care provider. Billing for the services preauthorized on this form is subject to nationally standardized rules for coding and paying health services as used by Rocky Mountain Health Plans.
