

I understand the following:

If I decline coverage for myself or my dependents (including my spouse) because of other insurance coverage, I may, in the future, be able to enroll myself or my dependents (if I am already enrolled) in this plan within 30 days after the other coverage ends.

If I have a new dependent as a result of marriage, birth, adoption, placement for adoption or placement of foster care, I may be able to enroll myself and my dependents. To do this, I will need to request enrollment within 30 days after the event.

If I do not request enrollment within 30 days for the above events, I will not be eligible for enrollment for such coverage until whichever of the following dates occur first:

- The date I enroll for such coverage during an Annual Open Enrollment Period or
- 12 months following the date I first request such coverage. I understand that I may enroll myself and my children outside of an annual open enrollment period if I am ordered by a court to enroll my children.

If I do not list a dependent on this form that has other coverage, I can't enroll this dependent until whichever of the following dates occur first:

- The date I enroll for such coverage during an Annual Open Enrollment Period or
- 12 months following the date I first request such coverage

Complete this form ONLY if you are not enrolling yourself or your spouse/partner or dependents. Waiver must be completed for future special enrollment on this plan.

Use black ink only.
