Dear Valued Broker,

***Introducing UnitedHealthcare Dental and Vision Plans for RMHP Commercial Members in 2019***

Rocky Mountain Health Plans (RMHP) is pleased to offer UnitedHealthcare dental and vision plans to our Commercial Members, effective January 1, 2019. We invite you to review the below information to be aware of changes associated with these new offerings.

**Pediatric Dental Benefit**

RMHP's pediatric dental benefit, which is included with all ACA-compliant health plans, provides 100% coverage for pediatric dental services. Beginning January 1, 2019, RMHP will transition from Delta Dental to UnitedHealthcare for administration of this benefit. The same 100% coverage will continue in 2019.

Making sure Members are able to continue to get the care they need is important to us. RMHP and UnitedHealthcare will be working together to ensure access to pediatric dental care is not interrupted. Coverage will be provided from both in-network and non-network dentists, and we will be inviting dentists not currently contracted with UnitedHealthCare to join the network.

[This letter](#) will be mailed in early August to RMHP Members who have accessed pediatric dental care from a dentist not currently in the UnitedHealthcare dental

network.

## **Voluntary Dental Riders**

Beginning January 1, RMHP will offer UnitedHealthcare Dental plans to our employer groups. All RMHP employer groups currently enrolled in a Delta Dental group dental plan can maintain their Delta Dental plan; however, RMHP will no longer administer the billing of that coverage, effective January 1. Please look for more information about 2019 dental options coming this fall.

## **Voluntary Vision Riders**

Additionally, RMHP will offer UnitedHealthcare vision plans to our employer groups.

All RMHP employer groups currently enrolled in a VSP group vision plan will need to take the following action for January 1, 2019 vision coverage, regardless of their anniversary:

- 1) Transition to a UnitedHealthcare vision plan on January 1, 2019, or
- 2) Work with VSP directly for their group vision coverage.

We are actively working on plan designs and recruitment of providers and look forward to sharing more information with you as it becomes available.

## **We're Here to Help**

If you have questions about these changes, please contact the RMHP Group Management Team at [group\\_management\\_team@rmhp.org](mailto:group_management_team@rmhp.org).

As always, thank you for your valued partnership.
