Dear Valued Broker,

At Rocky Mountain Health Plans (RMHP), we appreciate all of your support as we continue to expand our presence in many areas of the state. We're proud to be Colorado-based and Colorado-focused, and we thank you for the trust you place in us when you present RMHP plan options to your clients.

We are planning for 2020 and beyond but remain focused on and committed to the good things happening this year. We're pleased to announce a rate decrease for all small group plans in Q3 2019 and want to share a reminder of other reasons your clients should choose RMHP.

### **We're More Than a Health Plan**

At RMHP, we're committed to the overall health of our Members. Along with our comprehensive line of health plans, RMHP offers a number of supplemental products, including dental and vision coverage from UnitedHealthcare; wellness programs like [Real Appeal®](#) and [Rally®](#); and the increasingly-popular [Doctor On Demand®](#) service, which allows Members to connect face-to-face over video with board certified doctors and psychologists.

### **Coverage Members Can Count On: RMHP Commercial Plan Options**

## **Rocky Mountain Summit: Available Statewide**

Rocky Mountain Summit HMO plans are available in every county of Colorado, offering competitive rates on the Eastern Plains and the Western Slope.

These plans provide access to our entire statewide network, as well as to the UnitedHealthcare Options PPO national network for coverage outside of Colorado. This expansive provider access allows flexibility in coverage for your clients at lower premiums than many PPO plans.

## **Rocky Mountain Range: Available on the Western Slope**

Our Rocky Mountain Range HMO plan is one of the lowest-cost options in many Western Slope counties. We've offered this plan in the non-resort counties of Western Colorado since 2015, and it continues to be one of the strongest options in the market. Rocky Mountain Range also allows coverage outside of Colorado with the UnitedHealthcare Options PPO national network.

## **Rocky Mountain Canyon: Available in Southwest Colorado**

New in 2019, the Rocky Mountain Canyon HMO plan is offered to small employer groups in Southwest Colorado. With its tiered structure, it's designed to provide lower-priced health coverage in La Plata, Dolores, Montezuma, Archuleta, and San Juan counties with direct access to local providers.

- **Tier 1:** offers the lowest cost sharing and includes most facilities and providers in the five counties.
- **Tier 2:** provides access to the Rocky Mountain Range network, including select Mesa County, Denver, and Colorado Springs providers and facilities, and UnitedHealthcare's Options PPO national network.

## **Monument Health: Available in Mesa County**

**Monument Health PPO** plans are available to employer groups in Mesa County and are among the most competitive plans offered. These plans, designed around the Monument Health network, provide tiered benefits that include out-of-network coverage.

**Monument Health HMO** plans are offered to individuals & families in Mesa County, either directly from RMHP or through Connect for Health Colorado.

- Members pay less for services when receiving care from a **Tier 1** provider.
- **Tier 2** is a regional network with access to select Western Slope and Front Range providers.
