

Dear Broker,

COVID-19 FAQs for Brokers now available

Rocky Mountain Health Plans (RMHP) is closely monitoring the COVID-19 public health emergency. We are working to ensure we are doing everything possible to support the health of those we serve, and provide our Members and partners with up-to-date information and resources on COVID-19. We have launched a new resource page with [Frequently Asked Questions for Brokers](#).

These FAQs are not designed to be shared with RMHP members. Please direct RMHP members to our [Member FAQs](#) for answers to their questions and more information on resources.

Please review these important updates, watch for more information, and let us know if you have additional questions. We are here to help.

Thank you for your continued support and partnership.
