NEW PRODUCT: [Rocky Mountain Sky](#)

RMHP is pleased to announce our new Individual and Family product available in Eagle, Summit, Grand and Lake counties offering your clients more choice in health plan options.

Rocky Mountain Sky includes select providers in these communities as well as seamless access to care on the Front Range with University Hospital, Children's Hospital and all SCL Health and Centura Health facilities.

Off Exchange Renewals mailed week of 10/18

Your clients enrolled directly through RMHP will receive their renewal letter the week of October 18, 2021.

Prior to this mailing, RMHP will send you a complete list of your off-exchange RMHP clients, their renewal rates and alternative plan/rate options. You can also find your renewal report on your RMHP Broker Portal for convenience.

New Online Renewal Options for Members

For 2022, Members can renew online through their secure member portal, [myRMHP.org](#). Members can change plans and add or dis-enroll dependents through our individual renewal platform while maintaining your credentials for 2022 commission payments.

Follow 2022 Enrollments through your RMHP Broker Portal

Keep track of your clients through the Client Roster. RMHP will be receiving renewal information from Connect for Health CO daily as well as renewal activity on your clients who have enrolled direct. As we generate billing statements for January, you can track your client's enrollment status.

We are here to help. Contact your RMHP Broker Support Team at brokersupport@rmhp.org or 844-301-4443.
