

RMHP Medicare Cost Plan Broker Referral Program

For RMHP Medicare Cost Products

At Rocky Mountain Health Plans we understand that creating a solid product foundation with your client requires listening to their needs and communicating product options that make sense. Each insurance product that your client selects, as a result of your relationship, will solidify their loyalty to you. Our referral program is designed to reward RMHP Broker partners who encourage prospective members to connect with our certified Medicare Sales representatives.

RMHP offers several Medicare Cost HMO plans that include features such as:

- Affordable monthly premiums
- Prescription Drug Coverage with generic drug co-payments beginning as low as \$3
- \$0 preventive care
- Health & wellness discount programs
- Optional supplemental benefits such as vision & dental
- Hearing Aid benefit on some of our plans
- An extensive network of over 16,000 providers
- No referrals needed to see a Specialist
- Members retain Original Medicare benefits & can access care by using either their RMHP card (when visiting network providers) or their Medicare ID Card (when out-of-network)

Referral Fee: \$100 per enrolled Member

It's easy! Here is how it works:

- Your client asks about their Medicare Options
- You refer them to RMHP's Medicare Sales Department
- One of our Medicare sales representatives enrolls your client into one of our RMHP Medicare Cost Plans
- You get a \$100 referral fee

Limitations and rules apply. For more information please contact our Medicare Sales Director, Joe Barrows, at 970-244-7996 or joe.barrows@rmhp.org. **Begin referring today and earn \$100!**
