

Rocky Mountain Health Plans

Notification of Admission to a Facility

Notify Rocky Mountain Health Plans (RMHP) of an admission by calling 800-416-2157, option 4 or 970-248-5197.

If you need assistance, contact customer service.

Inpatient Admission for Pediatric Feeding Program

Prior authorization is required before the child is admitted for this program.

Acute Care Hospital Admission - Call on Admission

Facilities that are contracted with Rocky Mountain Health Plans (RMHP) are required to notify RMHP within 24 hours of admission, unless a weekend or holiday is involved, in which case notification must occur the first business day following the weekend or holiday.

If you are admitted to an out-of-network facility due to an emergency, notify RMHP as soon as possible.

Care Management Nurse review is required prior to transfer from one acute care hospital to another, or to long term acute care (LTAC), rehabilitation, or skilled nursing facility (SNF).
