ABOUT THIS DIRECTORY

Information in this directory applies to commercial plans underwritten by Rocky Mountain HMO (RMHMO). It includes PCPs, specialists, health care professionals, and other providers who participate with RMHP to provide services to our Members*. It also summarizes important information on procedures for obtaining health care services that each Member agrees to follow. A complete description of the procedures is set forth in each Member's applicable Health Plan Guide.

Being enrolled in an RMHP health plan underwritten by RMHMO does not guarantee services by a particular provider on this list. Call the provider's office first and ask if he or she is accepting new RMHP Members. This information is only a summary of the procedures for obtaining benefits under plans underwritten by RMHMO and shall neither supersede the Member's Evidence of Coverage nor be considered part of the contract. A complete description of the procedures, benefits, and coverage levels is in each Member's applicable Evidence of Coverage and prescription drug supplement (if included with the Member's plan).

- * *This directory is current as of the date printed on the cover. Every effort has been made to obtain and print the correct information. However, the directory is subject to change at any time, as we add physicians and other providers on an ongoing basis. We may also add providers on a periodic basis and will provide you with a listing of newly added doctors in your local area if you request it. RMHP does not use quality measures, member experience measures, or cost-related measures to select practitioners or facilities. In establishing and maintaining our network of providers, RMHMO endeavors to provide care within a reasonable travel time and distance to Members. To achieve this, RMHP contracts with most available acute care hospitals, PCPs, specialists and sub-specialists who meet RMHMO's credentialing and quality standards within the service area. RMHP is not responsible for errors or omissions. Please contact RMHP Customer Service or use our Online Provider Directory at rmhp.org for the most updated information.*

HOW TO FIND A PROVIDER

You can find a provider using this directory. You can also use our Online Provider Directory. It will have the most current provider network information. Visit rmhp.org, then select *Find a Provider* and search for a provider. You may also call RMHP Customer Service.

If you find an inaccuracy with a provider's information, please call 888-286-3113, option 2.

ABOUT YOUR MONUMENT ONE PLAN

Monument Health is a high-performing network of providers and facilities focused on a collaborative approach for a healthier you — and healthier communities across the Western Slope. RMHP and Monument Health are dedicated to providing our Members with access to high-quality, coordinated, and close-to-home care at lower costs.

Monument ONE plans from RMHP allow you to get care from providers you know and trust, right here in your community. The network includes:

- **Six primary care practices** (more than 125 primary care providers) to serve as your medical home; **two local hospitals** (St. Mary's Medical Center and Colorado Canyons Hospital & Medical Center); **many local specialists** who are either independently owned or affiliated with St. Mary's Medical Center or Family Health West; and **University Hospital, Children's Hospital**, and all **SCL Health providers and facilities** in Denver and surrounding counties.
- **Emergency care** is always covered as in-network.

Please refer to your Evidence of Coverage to determine cost-sharing amounts applicable to your plan.

Payment for Services

All Members are responsible for paying any applicable cost-sharing (copays, coinsurance, or deductibles) directly to the provider at the time of service. RMHP will send you an Explanation of Benefits that shows the service you received, the amount billed, the portion of the bill RMHP paid, and what you will pay to the provider.

Selecting a PCP

Monument ONE plans from RMHP are underwritten by RMHMO. As a Member enrolled in one of these plans, designating a PCP is not required. However, we know that preventive care is key to managing your health, and we encourage all RMHP Members to select a PCP to manage your care.

Please follow these guidelines when selecting or changing to a new a PCP:

- Each covered member of your family may pick a different PCP.
- If you are new to the PCP you would like to see, be sure to call the provider to be sure he or she is accepting new RMHP patients.
- Be sure the PCP you choose serves the type of plan you are enrolled in.
- PCPs with **only** the ® symbol by their names accept all Members on all types of plans.
- PCPs with ∅ by their names are not accepting new RMHP patients.

If you change to a new PCP, be sure to have your medical records transferred to your new provider.

Specialty Care Rules

You may receive covered specialty care from any network provider that accepts Members for the type of plan you have. To be covered, services must be provided by a network provider, except in instances of urgent care services outside the RMHP service area and medical emergencies.

- Providers without a symbol by their names accept all Members on all types of plans.
- Providers with ∅ by their names are not accepting new RMHP patients.
- Providers with ® by their names means they are also PCPs.

If you receive covered specialty care from a network provider that is not a PCP type provider, you will usually pay a higher copay.

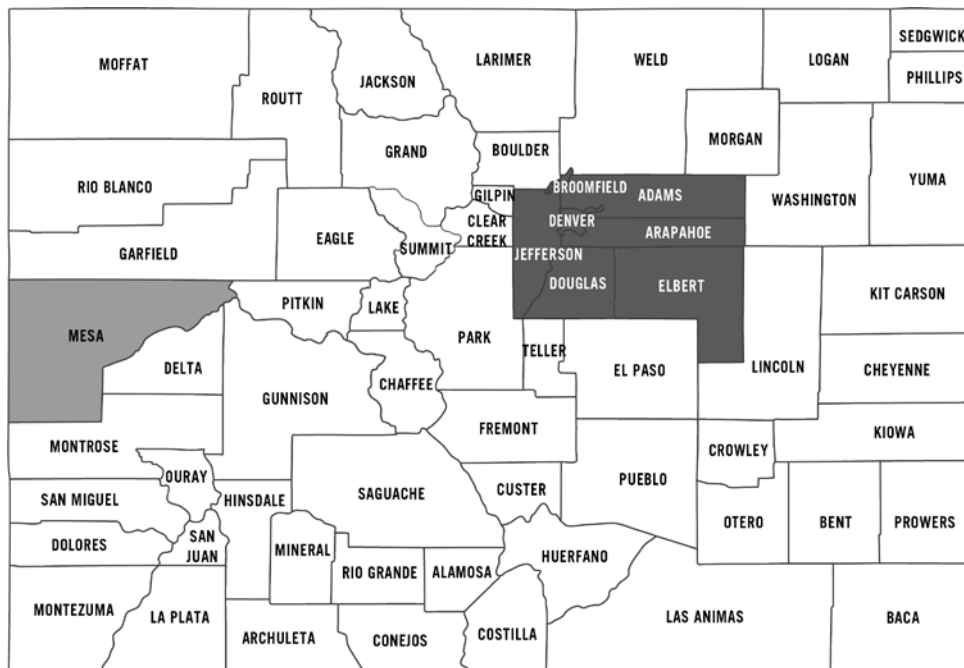

About Prior Authorization

Some health care services must be approved before you receive them. This is called **prior authorization**. If the service you need is covered by your plan but cannot be provided by a network provider, you may receive prior authorization to see a non-network provider. Your PCP will work with us to help you get your care approved and arranged. Prior authorization is also required for certain services from a network provider. Network providers are responsible for obtaining any required prior authorization. See your Evidence of Coverage for details. Benefits and coverage levels for care delivered by network providers are determined by each Member's applicable Evidence of Coverage.

You must have written approval from us **before** receiving care from a non-network provider or you will have to pay for the care yourself, except for urgent care services outside the RMHP service area and medical emergencies.
