Rocky Mountain Health Plans (RMHP) wants to help you on your path to your healthy best. Navigate your health care with our Getting Started Guide.

RMHP is your Health First Colorado (Colorado’s Medicaid Program) regional organization. We’re here to help you on your journey to good health and get you the care you need. In this guide, we’ve listed out some helpful information, but you can also learn more on our website in the section dedicated to Members who are part of RMHP’s regional organization. Just visit rmhp.org and choose Our Plans, then select Medicaid & CHP+.

1. Start Here

You will receive a letter from Health First Colorado that introduces RMHP as your regional organization that will manage both your physical and behavioral health care. It will tell you how you can find your Health First Colorado Member handbook, as well as include an online survey link to help identify your health needs. RMHP can help you with any questions you have about these materials.

You can also view your benefits online at co.gov/peak or through the PeakHealth mobile app. Your mobile Member card is available through PEAKHealth, or you can print a card from co.gov/peak. Health First Colorado will not send you a Member card. You do not need a Member card to get care. When you visit a doctor or pharmacy, you will need to provide your date of birth and either your Social Security number or your Health First Colorado ID number.

We also have a health plan called RMHP Prime that is available in select counties in Western Colorado. If you’re also enrolled with RMHP Prime, you will receive a Member ID card directly from RMHP. If you need a new RMHP Prime card, contact RMHP Customer Service.
Get Care

Know Your Options
There are different options to get the care you need based on your situation.

Your Primary Care Provider, also called a PCP, is the doctor you should see for most of your care, like checkups, treatments, vaccinations, minor injuries, and other health concerns. Call your doctor first, even after hours. Important tip: Annual checkups are important for good health. Make an appointment with your PCP if you have not had a visit in the past year.

Your PCP can also examine your child and provide screenings covered by the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) benefit. If your child or teen is 20 years old or younger and part of RMHP’s regional organization or RMHP Prime, they are part of the EPSDT program. This program helps make sure that your child or teen receives the appropriate preventive, dental, mental health, developmental, and specialty services.

Behavioral health is an important part of your overall health. If you have changes in your mood or behavior, or if your alcohol or drug use is impacting your life, you may want to talk to a provider. RMHP can help you understand your behavioral health benefits and find a provider that can help you.

Urgent care is for non-emergent but serious illness or injuries that need medical care. These can include fevers, flu symptoms, minor cuts, or minor burns.

Go to the Emergency Room if your condition is life-threatening or your doctor tells you to go. You should go to the Emergency Room for chest pain, trouble breathing, severe allergic reactions, or severe bleeding.

Crisis help is available at no cost to you 24 hours a day. If you’re dealing with an emotional issue, having family or relationship problems, or struggling at work or school, free, confidential support is only a phone call away. Call 844-493-TALK (8255), or text TALK to 38255.

Find a Doctor
You can find a doctor using our online provider directory. Visit rmhp.org and select Find a Provider. Choose RMHP Regional Organization Network (Health First CO/Medicaid) or RMHP Prime Network (Health First CO/Medicaid) (if you’re enrolled in RMHP Prime), and search for a doctor. Or, you can download your provider directory by choosing View our Directories under Download Provider Directories. If you need help finding a doctor, you can also call RMHP Customer Service.

Get Care Now
With CareNow from EasyCare Colorado, RMHP Members can connect with a doctor at no cost through a computer or mobile device. Message, share photos, and video chat to get answers you need to your health questions. CareNow doctors are available from 9:00 a.m. – 9:00 p.m. MT, seven days a week. Download the EasyCare Colorado app to get CareNow, or learn more at EasyCareCo.com/CareNow.
Help with Your Care
RMHP has Care Coordinators and nurses that can:

- Work with you and your doctors to help you get the care you need
- Explain covered services
- Help coordinate services with community partners

Our Care Management team can help you manage conditions like diabetes, cancer, heart disease, or pregnancy. Call us to speak with a Care Coordinator, Monday through Friday from 8:00 a.m. – 5:00 p.m. If you call after hours, you can leave a message. Your call will be returned the next business day.

Understand Your Resources

Find Helpful Documents
You can find information and many documents at rmhp.org. Choose Our Plans, then select Medicaid & CHP+ to find the section dedicated to Members who are part of RMHP’s regional organization.

- Your Member handbooks. Your handbooks have information about covered services and costs, important phone numbers, and tips for staying healthy. Important tip: You can also find your Health First Colorado Member handbook at healthfirstcolorado.com or co.gov/peak.
- A provider directory to help you find a doctor.
- For Members also enrolled in RMHP Prime, you can find the RMHP Prime formulary. This is a list of medications that are covered under your plan.

You can also call RMHP Customer Service and ask for a printed copy of any of these materials at no cost and within five business days. If you need assistance due to a disability or cannot access information online, you can also ask for help with auxiliary aides and services at no cost.

Discover More
You can also access other resources at rmhp.org, including:

- Community resources that can help you find food and housing assistance, transportation to get to and from your appointments if you don’t drive, support to stop smoking, and more.
- A Frequently Asked Questions section to provide answers to questions you might have.
- Healthy tips that can show you how to live your healthy best.
Ask Questions

If you have questions, RMHP is here. Our local, friendly Customer Service team based right here in Colorado takes pride in getting you the help you need. We look forward to helping you on your health care journey. Thank you for being a valued Member of RMHP.
