How does it work?
Call to speak with a specialist who will listen to your needs and connect you to the appropriate resource, whether it’s a clinician, counselor, mediator, lawyer or financial advisor. You can either take advantage of short-term counseling or get a referral for more extended care. And, we’ll try our best to accommodate any gender, language or cultural preferences.

What’s a clinician?
A clinician may be a psychologist, or master’s-level specialist trained in social work, professional counseling or family and marriage therapy.
